**RESPONSE OF AKZO NOBEL INDUSTRIAL COATINGS MEXICO SA DE CV, TO  
THE DEBTORS' FORTY-THIRD OMNIBUS OBJECTION TO CLAIMS**

COMES NOW Akzo Nobel Industrial Coatings Mexico SA de CV ("Akzo"), a creditor  
and products supplier in one or more of the cases jointly administered under the above-listed

case, and files this response to the *Reorganized Debtors' Forty-Third Omnibus Objection Pursuant to 11 U.S.C. § 503(b) and Fed. R. Bankr. P. 3007 to (I) Expunge Certain Administrative Expense (A) Severance Claims, (B) Books and Records Claims, (C) Duplicate Claims, (D) Equity Interests, (E) Prepetition Claims, (F) Insufficiently Documented Claims, (G) Pension, Benefit, and OPEB Claims, (H) Workers' Compensation Claims, and (I) Transferred Workers' Compensation Claims, (II) Modify and Allow Certain Administrative Expense Severance Claims, and (III) Allow Certain Administrative Expense Severance Claims* (the "Objection"), filed January 22, 2010. With particular respect to Akzo, the Objection objects to Akzo's claim for allowance of administrative expenses, designated in Exhibit B of the Objection as being Claim No. 18967, in the liquidated amount of \$11,461.02 ("Claim"). Akzo states as follows:

1. The Claim asserts an administrative expense claim that arises from the provision of goods and services by Akzo to Delphi Corporation or its affiliates postpetition. The amounts set forth in the Claim are fully liquidated.

2. Attached to the Claim was a list of invoices that remained unpaid and the name of the debtor entity responsible for payment.

3. The Objection fails to state a basis for expunging the Claim. The Claim should not be reduced because the goods and services, evidenced by the Claim, were provided to the Debtors and Reorganized Debtor, the Claim represents an obligation of the Reorganized Debtor in the amount stated, and the amount set forth in the Claim has not been paid. Since the Objection was filed, Akzo has confirmed that none of the amount set forth in the Claim has been paid. At this time, Akzo cannot provide the specific factual and legal bases upon which it will rely in opposing the Objection because the Objection fails to provide the basis for the

Objection. To the extent the Claim is not immediately allowed in the amount stated due to the failure of Delphi to provide sufficient evidence to rebut the Claim, then, upon the Reorganized Debtor providing Akzo with a basis for the Objection, Akzo will supplement its response as necessary and further disclose to the Reorganized Debtor all information and provide copies of all documents that Akzo believes to be confidential, proprietary, or otherwise protected and upon which Akzo intends to rely in support of its Claim.

4. The addresses to which the Reorganized Debtor must return any reply to this Response and any notice of hearing regarding the Objection or this Response are:

Nelson Mullins Riley & Scarborough, LLP

Atlanta, Georgia 30363

and

b. Tift H. Shepherd, Esq.  
Akzo Nobel Inc.  
5555 Spalding Drive

WHEREFORE, Akzo Nobel Industrial Coatings Mexico SA de CV respectfully requests that this Court:

- A. enter an Order (i) overruling the Objection and allowing the Claim in the stated amount of \$11,461.02 as an allowed administrative expense, or (ii) alternatively, continuing the hearing on the Objection pursuant to the Objections Procedures Order; and
- B. provide such other and further relief the Court deems just and necessary.

This 17th day of February, 2010.
